Added BIA

II. Fiscal Analysis

11. Please estimate the increase / decrease in the agency's revenues or expenditures in the current biennium due to this rule.

This will increase revenues.

\$1,233,912

Increase in revenue based on enrollment number of 616,956 individuals in the retained applicant fingerprint database as of 01/01/2020, contingent on how many enrollees are removed from Rapback and how many new enrollees there could be.

12. What are the estimated costs of compliance for all persons and/or organizations directly affected by the rule?

Agencies will be charged \$2 more per enrollee.

13. Does the rule increase local government costs? (If yes, you must complete an RSFA Part B). Yes

14. Does the rule regulate environmental protection? (If yes, you must complete an RSFA Part C). No

15. If the rule imposes a regulation fee, explain how the fee directly relates to your agency's cost in regulating the individual or business.

Support BCI operations.

Part B - Local Governments Questions

1. Does the rule increase costs for:

A. Public School Districts	Yes
B. County Government	Yes
C. Township Government	No
D. City and Village Governments	No

2. Please estimate the total cost, in dollars, of compliance with the rule for the affected local government(s). If you cannot give a dollar cost, explain how the local government is financially impacted.

School districts have 409,297 bus drivers enrolled into Rapback. At an increase of \$2 a bus driver, the total cost to all school districts is \$818,594, but we do not have a breakdown of the cost per school district, it will be determined by the number of bus drivers they have enrolled. County DODD agencies and JFS agencies also use Rapback, but we do not have exact numbers for those agencies and cannot determine the number of enrollees they have.

3. Is this rule the result of a federal government requirement? No

A. If yes, does this rule do more than the federal government requires? *Not Applicable*

B. If yes, what are the costs, in dollars, to the local government for the regulation that exceeds the federal government requirement?

Not Applicable

4. Please provide an estimated cost of compliance for the proposed rule if it has an impact on the following:

A. Personnel Costs

\$2 more per enrollee resulting in an increase from \$5 to \$7.

B. New Equipment or Other Capital Costs

N/A

C. Operating Costs

N/A

D. Any Indirect Central Service Costs

N/A

E. Other Costs

N/A

5. Please explain how the local government(s) will be able to pay for the increased costs associated with the rule.

It will be up to each school district, county JFS and county DODD to determine if they will pay the \$2 increase, or pass that along to their employees.

6. What will be the impact on economic development, if any, as the result of this rule?

N/A
