2. **Is this rule the result of recent legislation?** No
3. **What statute is this rule being promulgated under?** 119.03
4. **What statute(s) grant rule writing authority?** R.C. 135.182

 - A. **If so, what is the citation to the federal law or rule?** Not Applicable
7. **What are the reasons for proposing the rule?**

Upon review, the Treasurer of State (TOS) has concluded that the Rule should be amended to provide a more complete definition to terms used within Chapter 113 of the Ohio Administrative Code regarding the Ohio Pooled Collateral Program.

8. **Summarize the rule's content, and if this is an amended rule, also summarize the rule's changes.**

The Rule provides definitions to be utilized when reading Chapter 113-40 of the Ohio Administrative Code. TOS proposes renumbering the Rule by removing the introductory clause from paragraph A and having the introductory language remain unnumbered for ease of readability. The Treasurer's Office (TOS) will no longer utilize the SCALE model when determining a financial institution's reduced collateral floor because the model is proprietary, and the vendor will no longer support it after December of 2023. Consequently, the bulk of the deletions are references to the SCALE model which are no longer necessary. The tagline of the rule has been amended to remove reference to public records because public records are not referenced within the rule as amended. Other minor deletions have been made for readability purposes. The rule proposes adding definitions for "basis point," "qualified trustee," and "standard" because these terms are important to understanding the remainder of the Chapter's rules which are also being amended. Other minor insertions are made to improve readability.

9. **Does the rule incorporate material by reference? No**
