6. What are the reasons for proposing the rule?

Not applicable. The rules in the instant package are being rescinded and a companion package of "new" rules will be filed simultaneously. The filings primarily constitute an errata package to correct non-substantive editorial and grammatical errors found in the recently enacted 2017 Ohio Fire Code and to correct errors that occurred during the filing process of the 2017 Ohio Fire Code. Please see the 'new' rules for a full analysis of the changes being made.

7. Summarize the rule's content, and if this is an amended rule, also summarize the rule's changes.

The provisions of this rule govern construction requirements for buildings constructed prior to the adoption of the rule where existing conditions constitute a distinct hazard to the life of building occupants or to property.

8. Does the rule incorporate material by reference? No
9. If the rule incorporates material by reference and the agency claims the material is exempt pursuant to R.C. 121.71 to 121.76, please explain the basis for the exemption and how an individual can find the referenced material.

Not Applicable

10. If revising or re-filing the rule, please indicate the changes made in the revised or re-filed version of the rule.
