1. Is the rule being filed consistent with the requirements of the RC 119.032 review? **No**

2. Are you proposing this rule as a result of recent legislation? **No**

3. Statute prescribing the procedure in accordance with the agency is required to adopt the rule: **119.03**

4. Statute(s) authorizing agency to adopt the rule: **3737.22, 3737.82**

5. Statute(s) the rule, as filed, amplifies or implements: **3737.22, 3737.82**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

The State Fire Marshal proposes to adopt Chapter 15 of the 2009 International Fire Code as amended and to revise and update the administrative rules comprising the Ohio Fire Code. Also, this rule is being proposed to comply with five year rule review requirements.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This section of the Ohio Fire Code prescribes the requirements for the following activities: the application of flammable or combustible paint, varnish, lacquer, stain, fiberglass resins or other flammable or combustible liquid by spraying apparatus; dip tank operations; application of dual-component coatings. For further details on the changes to this rule, please see the attached exhibit "A".

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

Materials incorporated by reference in this rule are listed in O.A.C. 1301:7-7-47 and are generally available to affected persons (including members of the fire service, persons responsible for life safety in public occupancies, and design professionals) in the following manner:

1. All text or materials are published by either other governmental agencies, private organizations or industry associations. All of these publications may be obtained by the publishing companies that distribute this material nationally or by any person, without any restriction, from the organization that promulgated the material or text. Some of these reference materials are free and some may be purchased for a reasonable fee. O.A.C. 1301:7-7-47 lists the incorporated material and contact information for each of the organizations that publish the listed incorporated material.

2. Most of the incorporated material is also available at Ohio public libraries, the Division of State Fire Marshal, the Board of Building Standards, or at local government offices, including fire departments.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

Not applicable.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

Not Applicable.

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so:

Not Applicable.

12. 119.032 Rule Review Date:

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.
