This rule is being filed as a no-change rule with a review date shorter than 5 years due to ongoing litigation pertaining to the Precious Metals Dealers Act, which is codified in Chapter 4728 of the Revised Code. As a result of this litigation in which the Department of Commerce is a party, the Division is not able to engage its stakeholders. The rule requires licensees to post their business hours and to notify the Division in the event of any change to the posted hours of operations. In the absence of events beyond a licensee's control, the rule provides that the failure of a licensee to keep its posted hours is a violation of the rule.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.
