Payment of fees and filing of performance bond.**RULE SUMMARY**

1. Is the rule being filed consistent with the requirements of the RC 119.032 review? **Yes**

2. Are you proposing this rule as a result of recent legislation? **No**

3. Statute prescribing the procedure in accordance with the agency is required to adopt the rule: **119.03**

4. Statute(s) authorizing agency to adopt the rule: **1514.08**

5. Statute(s) the rule, as filed, amplifies or implements: **1514.011, 1514.02, 1514.021, 1514.03, 1514.04**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

To comply with Ohio's five-year-review requirement pursuant to Ohio Revised Code section 119.032.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule contains the requirements for the payment of fees and the filing of

performance bonds related to industrial minerals surface mining.

The Division of Mineral Resources Management has fully reviewed this rule consistent with ORC 119.032, and has determined that the following revisions are needed:

(A) and (B). These paragraphs have been revised to add renewal of a surface mining permit in order to clarify that renewals are included in the requirements of this rule.

(A)(1) and (2). Two new sub-paragraphs that explain the applicability of ORC section 1514.04 (A).

(C). Revised to clarify that all performance bond be filed in the name of the applicant or permittee.

(D). Division's address corrected.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

Not Applicable.

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so:

The previously filed version of this rule contained an amendment in (A) that was intended to explain the applicability of ORC section 1514.04 (A). The refiled version of the rule provides a more thorough explanation (see paragraphs (A), (A)(1) and (2), and (B) of the refiled rule.)

12. 119.032 Rule Review Date: **7/14/2011**

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.

FISCAL ANALYSIS

13. Estimate the total amount by which *this proposed rule* would **increase / decrease** either **revenues / expenditures** for the agency during the current biennium (in dollars): Explain the net impact of the proposed changes to the budget of your agency/department.

This will have no impact on revenues or expenditures.

\$0.00

The amendments proposed in this rule consist of clarifications of existing requirements and a minor correction and will have no fiscal impact on the agency during the current biennium.

14. Identify the appropriation (by line item etc.) that authorizes each expenditure necessitated by the proposed rule:

Not Applicable.

15. Provide a summary of the estimated cost of compliance with the rule to all directly affected persons. When appropriate, please include the source for your information/estimated costs, e.g. industry, CFR, internal/agency:

The amendments proposed in this rule consist of clarifications of existing requirements and a minor correction and are unlikely to impose any additional cost of compliance upon any directly affected persons.

It is possible that there could be fiscal impact on a permittee in the form of the associated premium on a bond if a surety company requires a replacement bond in lieu of providing a rider to the existing bond because the name of the permittee has changed. The Division will accept a rider on an existing bond instead of replacement of the bond, which should have no associated costs.

16. Does this rule have a fiscal effect on school districts, counties, townships, or municipal corporations? **No**

17. Does this rule deal with environmental protection or contain a component dealing with environmental protection as defined in R. C. 121.39? **Yes**

You must complete the Environmental rule Adoption/Amendment Form in order to comply with Am. Sub. 106 of the 121st General Assembly.
