5. Statute(s) the rule, as filed, amplifies or implements: **173.11, 173.12**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

After giving the rule its five-year rule review under section 119.032 of the Revised Code, ODA is proposing to rescind this rule because the Ohio General Assembly has not appropriated funds to the Senior Facilities Program since 2001 and because Governor Strickland's Executive Order 2008-04S discourages the adoption of unnecessary regulations.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule presents the application process by which a senior center could apply for funds from the Senior Facilities Program.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

This response left blank because filer specified online that the rule does not incorporate a text or other materials by reference.

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so:

Not Applicable.

12. 119.032 Rule Review Date: **9/3/2008**

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.

FISCAL ANALYSIS

13. Estimate the total amount by which *this proposed rule* would **increase / decrease** either **revenues / expenditures** for the agency during the current biennium (in dollars): Explain the net impact of the proposed changes to the budget of your agency/department.

This will have no impact on revenues or expenditures.

\$0.00

ODA estimates that the proposed rescission of this rule will have no net impact upon the biennial budget established for ODA by the General Assembly.

14. Identify the appropriation (by line item etc.) that authorizes each expenditure necessitated by the proposed rule:

NA

15. Provide a summary of the estimated cost of compliance with the rule to all directly affected persons. When appropriate, please include the source for your information/estimated costs, e.g. industry, CFR, internal/agency:

Because the Senior Facilities Program has not been funded by the General Assembly since 2001, ODA estimates that the proposed rescission of a chapter of rules that regulate the program should have no cost of compliance upon any directly-affected person because there is no directly-affected person.

16. Does this rule have a fiscal effect on school districts, counties, townships, or municipal corporations? **No**

17. Does this rule deal with environmental protection or contain a component dealing with environmental protection as defined in R. C. 121.39? **No**
