The Department of Aging is proposing this amended rule pursuant to Sub. H.B. 473 of the 121st General Assembly (R.C. 119.032), which requires state agencies to review each of their rules every five years and determine whether to continue without change, amend, or rescind them.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; if the rule type is RESCISSION, NEW or NO CHANGE,

then summarize the content of the rule:

The proposed amended rule defines terms associated with the State Long-Term Care Ombudsman program. Changes were made so that the revised rule defines "clock hour" for periods of instruction, defines the "Older Americans Act" under which the program functions, conforms to state statute by deleting references to "age sixty and older," conforms to House Bill 530 by adding "transportation" to the list of terms that are included in the definition of "community-based long-term care services," and clarifies that an ombudsman may not serve as a sponsor for a client for whom that ombudsman is providing ombudsman services. Additionally, minor clarifications were made that do not change the meaning, the function, or the intent of the rule.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

*This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.*

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

*Not Applicable.*

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.
