That experience may be done after passing the certification examination, but shall be done before performing any duties as an ombudsman associate level 2. Within sixty days of completing the required professional development, the candidate shall take the ombudsman associate level 2 examination. A candidate who passes the examination shall be certified as an ombudsman associate level 2 and may perform the duties of an ombudsman associate level 2 without direct supervision.

- (4) A candidate for certification as ombudsman specialist shall complete forty clock hours of professional development before handling complaints without the supervision of a certified ombudsman specialist or a certified ombudsman program director. After the initial forty clock hours of professional

development, the candidate shall complete:

- (a) An additional sixty clock hours of professional development within the first fifteen months of employment;

- (5) The professional development requirements for an ombudsman program director candidate are the same as for an ombudsman specialist with the addition of six clock hours of education on program management and administration to be completed as soon as feasible. An ombudsman program director candidate shall work under the supervision of the SLTCO until the candidate has completed the initial forty clock hours of professional development and the six clock hours on program management and administration.

Within sixty days of completing the required professional development, the candidate shall take the ombudsman program director examination. All candidates who pass the examination shall be certified as ombudsman program directors.

- (B) All clock hours of professional development accrued by a candidate when preparing for any category of representative may be applied to the required clock hours of professional development required of the candidate when preparing to become certified as a different type of representative.
