6. **What are the reasons for proposing the rule?**

ODA and the SLTCO (we) adopted OAC Chapter 173-14 (this chapter) to establish and operate a state long-term care ombudsman program as required by ORCÂ§173.01; 42 USC 3027, 3058g; and 45 CFR 1321.11 and Part 1324. We also adopted this chapter

to carry out the provisions of ORC Chapter 173 pertaining to ombudsman programs as required by ORC §173.02.

As part of this chapter, we adopted this rule to establish professional development deadlines.

We reviewed every rule in this chapter top to bottom, as ORC §106.03 requires us to do no less often than once every 5 years. In doing so, we considered any necessary amendments to implement the following new laws:

(1) Effective February 11, 2015, the U.S. Dept. of Health and Human Services, Administration on Aging (AoA) and Administration for Community Living (ACL) jointly adopted 45 CFR Part 1321 to regulate long-term care ombudsman programs. AoA and ACL subsequently amended their rules and renumbered them as 45 CFR Part 1324.

(2) Effective April 19, 2016, the Older Americans Act Reauthorization Act of 2016 amended §§ 711 (42 USC3058f), 712 (42 USC3058g), and other sections of the Older Americans Act of 1965.

(3) Effective September 29, 2017, Am. Sub. House Bill No. 49 (132nd G.A.) amended ORC §§ 173.14, 173.15, 173.17, 173.19, 173.20, 173.21, 173.22, and 173.24.

We now propose to amend this rule.

7. Summarize the rule's content, and if this is an amended rule, also summarize the rule's changes.

This rule establishes the deadlines for ombudsman representatives' professional development.

We propose to amend the rule to achieve the following:

(1) Clarify when the time for completing professional development begins, which for ombudsman associates, is "after joining the program," and for ombudsman specialists and ombudsman program directors is "after the date of employment."

(2) Reduce the time candidates for ombudsman specialist certification have to complete professional development from 2 years to "as soon as practicable and no later than fifteen months after the date of employment." We are also proposing a corresponding amendment to 173-14-04.

(3) Clarify that a candidate's request for an extension should be directed to the regional program director or the SLTCO.

(4) Modify the SLTCO's deadline for approving/disapproving requests to extension to "as soon as practicable."

(5) Update the cross reference in (C).

(6) Improve the word choice and punctuation throughout the rule. This includes replacing legalese (e.g., "prior to") with plain English (e.g., "before").

8. Does the rule incorporate material by reference? No

9. If the rule incorporates material by reference and the agency claims the material is exempt pursuant to R.C. 121.71 to 121.76, please explain the basis for the exemption and how an individual can find the referenced material.

Not Applicable

10. If revising or re-filing the rule, please indicate the changes made in the revised or re-filed version of the rule.

Not Applicable
