5. Statute(s) the rule, as filed, amplifies or implements: **173.15, 173.20**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

The Department of Aging is proposing this amended rule pursuant to Sub. H.B. 473 of the 121st General Assembly (R.C. 119.032), which requires state agencies to review each of their rules every five years and determine whether to continue without change, amend, or rescind them.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; if the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

The proposed amended rule governs the referral of complaints to the State Long-Term Care Ombudsman (SLTCO) by other representatives of the office, such as a regional long-term care ombudsman. Language requiring the referral of complaints that were not successfully resolved by the regional program to the SLTCO was deleted from the proposed rule. The SLTCO has access to such cases through the Ombudsman Documentation and Information System for Ohio (ODIS) and complaints of that type may be referred to the Ohio Department of Health per section 3721.027 of the Revised Code. Additionally, minor clarifications were made that do not change the meaning, the function, or the intent of the rule.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

*This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.*

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

*This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.*

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

*Not Applicable.*

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so:

*Not Applicable.*

12. 119.032 Rule Review Date: **10/6/2006**

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this

rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.

### **FISCAL ANALYSIS**

13. Estimate the total amount by which *this proposed rule* would **increase / decrease** either **revenues / expenditures** for the agency during the current biennium (in dollars): Explain the net impact of the proposed changes to the budget of your agency/department.

This will have no impact on revenues or expenditures.

\$0.00

The Department of Aging does not anticipate any increase nor decrease in expenditures appropriated to the Department in the current biennium.

14. Identify the appropriation (by line item etc.) that authorizes each expenditure necessitated by the proposed rule:

GRF-490-410, 322-490-618, 3M4-490-612, 4C4-490-609, and 5BA-490-620.

15. Provide a summary of the estimated cost of compliance with the rule to all directly affected persons. When appropriate, please include the source for your information/estimated costs, e.g. industry, CFR, internal/agency:

It is difficult to estimate the cost of compliance for each regional ombudsman program due to geographical differences in demand and long-term care issues. However, federal and state funds are allocated using formulas that take regional differences into consideration (e.g., percentage of long-term care beds in the service area, population age 75 and over, and square mileage of the service area). The Department of Aging anticipates that there will be no new costs of compliance resulting from amended language in this rule.

16. Does this rule have a fiscal effect on school districts, counties, townships, or municipal corporations? **No**

17. Does this rule deal with environmental protection or contain a component dealing with environmental protection as defined in R. C. 121.39? **No**
