ODA and the SLTCO (we) adopted OAC Chapter 173-14 (this chapter) to establish and operate a state long-term care ombudsman program as required by ORC§173.01; 42 USC 3027, 3058g; and 45 CFR 1321.11 and Part 1324. We also adopted this chapter

to carry out the provisions of ORC Chapter 173 pertaining to ombudsman programs as required by ORC§173.02.

The chapter presently has no rule on advocacy.

On February 11, 2015, the U.S. Dept. of Health and Human Services, Administration on Aging (AoA) and Administration for Community Living (ACL) jointly adopted 45 CFR Part 1321 to regulate long-term care ombudsman programs. AoA and ACL subsequently amended their rules and renumbered them as 45 CFR Part 1324. 45 CFR 1324.15 required the SLTCO to provide advocacy.

Additionally, on September 29, 2017, Am. Sub. House Bill No. 49 (132nd G.A.) amended ORC §§ 173.14 and 173.17, to require the SLTCO to provide advocacy visits.

We now propose to adopt this rule to establish the parameters for system advocacy.

II. Fiscal Analysis

- 11. As a result of this proposed rule, please estimate the increase / decrease in revenues or expenditures affecting this agency, or the state generally, in the current biennium or future years. If the proposed rule is likely to have a different fiscal effect in future years, please describe the expected difference and operation.**

This will have no impact on revenues or expenditures.

\$0.00

We estimate the adoption of this proposed new rule will have no impact upon the biennial budget the Ohio General Assembly established for ODA in HB49 because this rule merely establishes parameters for advocacy which was required, in part, by HB49. Thus, legislators were taking advocacy into consideration when developing ODA's biennial budget.

12. What are the estimated costs of compliance for all persons and/or organizations directly affected by the rule?

We estimate our proposed new rule will create no cost of compliance to any directly-affected person.

13. Does the rule increase local government costs? (If yes, you must complete an RSFA Part B). No

14. Does the rule regulate environmental protection? (If yes, you must complete an RSFA Part C). No

15. Was this rule filed with the Common Sense Initiative Office? No

16. Does this rule have an adverse impact on business? No

A. Does this rule require a license, permit, or any other prior authorization to engage in or operate a line of business? No

B. Does this rule impose a criminal penalty, a civil penalty, or another sanction, or create a cause of action, for failure to comply with its terms? No

C. Does this rule require specific expenditures or the report of information as a condition of compliance? No
