 - (2) An office or agency of a unit of general-purpose local government, which is designated to function only for the purpose of serving as an AAA by the chief elected official of such unit;
 - (3) An office or agency designated by the appropriate chief elected officials of any combination of units of general-purpose local government to act only on behalf of such combination for such purpose;

- (C) Any entity proposed for designation as a new AAA shall provide assurances, determined adequate by ODA, that the entity has the ability to develop an area plan and to completely carry out the duties outlined in the area plan, directly or through contractual or other arrangements, a program in accordance with the plan within the PSA. In addition, the entity shall comply with all applicable state or federal laws, rules, policies, or agreements governing the programs and funds administered by the AAA through grants from, or contracts with, ODA.
