Rule 173-3-05.1 of the Administrative Code lists the procurement standards for services paid with Older Americans Act funds. In these rules, lists the procurement standards for renewable and multi-year AAA-provider agreements.

## **II. Fiscal Analysis**

**11. Please estimate the increase / decrease in the agency's revenues or expenditures in the current biennium due to this rule.**

This will have no impact on revenues or expenditures.

\$0.00

The adoption of the proposed amendments to this rule will not affect the biennial budget that the Ohio General Assembly established for ODA in H.B. 110 (134th G.A.).

**12. What are the estimated costs of compliance for all persons and/or organizations directly affected by the rule?**

To be paid for proving services with Older Americans Act funds, a provider must submit a bid.

Providers establish the rate they are paid when they respond to a request for proposal (RFP) by submitting their bid to the AAA for how much they will charge per unit {i.e., per job (e.g., home modification), per item (e.g., a meal), or per a period of time (e.g., personal care)}. The amount an AAA pays a provider is an all-inclusive rate. It's intended to cover all costs incurred in providing the project or service, including administration, training, and reporting. Therefore, the provider's bid includes all costs anticipated in providing the project or service.

If the provider's bid wins, the provider is paid what it bid during the open and free competition for the AAA-provider agreement (cf., 45 C.F.R. 75.329 and rules 173-3-04 and 173-3-05 of the Administrative Code).

Please review the business impact analysis for more information.

**13. Does the rule increase local government costs? (If yes, you must complete an RSFA Part B). No**

**14. Does the rule regulate environmental protection? (If yes, you must complete an RSFA Part C). No**

**15. If the rule imposes a regulation fee, explain how the fee directly relates to your agency's cost in regulating the individual or business.**

Not Applicable

**III. Common Sense Initiative (CSI) Questions**

**16. Was this rule filed with the Common Sense Initiative Office? Yes**

**17. Does this rule have an adverse impact on business? Yes**

**A. Does this rule require a license, permit, or any other prior authorization to engage in or operate a line of business? No**

There is no requirement for a provider to enter into an AAA-provider agreement in order to provide services in this state. An AAA-provider agreement is not a gateway to doing business in Ohio. Instead, a provider who wants to add the Older Americans Act programs to its lines of business, it must enter into an AAA-provider agreement in order for those Older Americans Act programs to pay the provider for the services it wants to provide to the consumers of those programs.

**B. Does this rule impose a criminal penalty, a civil penalty, or another sanction, or create a cause of action, for failure to comply with its terms? No**

**C. Does this rule require specific expenditures or the report of information as a condition of compliance? Yes**
