ODA is proposing to adopt this resdind this rule and to, simultaneously, replace it with a rule of the same number. This rule proposal is part of a larger package of rule proposals for the RSS program. As stated in greater detail in the public hearing notice, ODA is proposing to rescind rules 173-35-04 and 173-35-05 of the Administrative Code, and to replace the remaining rules of Chapter 173-35 of the Administrative Code with new rules. In doing so, ODA's goals are to:

1. Comply with the review required under section 119.032 of the Revised Code.
2. Comply with Governor Strickland's Executive Order 2008-04S: "Implementing

Common Sense Business Regulation," which requires all state agencies to write easier-to-read and easier-to-comprehend rules to promote transparency in state regulations.

3. Present a more complete list of eligibility criteria in rule 173-35-02 of the Administrative Code.

4. Comply with Am. Sub. H. B. No. 1 (128th G. A.), which now uses money-follows-the-person language and sets the current rates for the program.

5. Eliminate the rule that regulates case managers.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule introduces Chapter 173-35 of the Administrative Code and defines terms used in the chapter.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

This response left blank because filer specified online that the rule does not incorporate a text or other materials by reference.

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so:

Not Applicable.

12. 119.032 Rule Review Date: **11/9/2010**

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.

FISCAL ANALYSIS

13. Estimate the total amount by which *this proposed rule* would **increase / decrease** either **revenues / expenditures** for the agency during the current biennium (in dollars): Explain the net impact of the proposed changes to the budget of your agency/department.

This will have no impact on revenues or expenditures.

\$0.00

ODA does not anticipate that the proposed rescission of this rule, which ODA is proposing to replace with a proposed new rule of the same number, will have any impact upon the biennial budget that the Ohio General Assembly established for ODA.

14. Identify the appropriation (by line item etc.) that authorizes each expenditure necessitated by the proposed rule:

GRF-490-412 Residential State Supplement.

4J40-490-610 PASSPORT/Residential State Supplement.

3C40-490-623 Long-Term Care Budget.

15. Provide a summary of the estimated cost of compliance with the rule to all directly affected persons. When appropriate, please include the source for your information/estimated costs, e.g. industry, CFR, internal/agency:

Because this rule that ODA is proposing for rescission merely introduces the chapter and defines terms, and because ODA is simultaneously proposing to adopt a new rule to introduce the chapter and define terms, ODA estimates that there is no cost of compliance to any directly-affected person associated with the rescission of this proposed amended rule.

16. Does this rule have a fiscal effect on school districts, counties, townships, or municipal corporations? **No**

17. Does this rule deal with environmental protection or contain a component dealing with environmental protection as defined in R. C. 121.39? **No**
