1. Is the rule being filed consistent with the requirements of the RC 119.032 review? **No**

3. Statute prescribing the procedure in accordance with the agency is required to adopt the rule: **119.03**

4. Statute(s) authorizing agency to adopt the rule: **173.02, 5111.89**

5. Statute(s) the rule, as filed, amplifies or implements: **5111.89**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

TRANSPARENCY and EASE of COMPREHENSION: Currently, the rules that regulate the Assisted Living Program appear in various chapters of the Administrative Code under the authority of multiple agencies. It would be difficult for a person looking at ODA's rules in the online version of the Administrative Code to know that the rule that regulate the assisted living service is rule 173-39-02.16 of the Administrative Code, which is a rule that is in a different chapter than the rule on the enrollment process, which is rule 173-38-01, and which is in a different chapter than the rules on the eligibility criteria. Therefore, in order to draft rules in such a way that the general public readily has access to the rules that affect the Assisted Living Program, ODA is proposing to replace rule

173-38-01 of the Administrative Code with a small chapter of rules that reveals the location of these topics.

The proposed new rules of Chapter 173-38 of the Administrative Code are: 173-38-01, which introduces the program and defines terms used in the chapter; 173-38-02, which cross-references the rules on eligibility criteria; 173-38-03, which regulates the enrollment process; 173-38-04, which cross-references the rule on provider certification; and 173-38-05, which cross-references the rules on the services that are covered by the program.

In the proposed new rules, ODA uses language that complies with the Legislative Service Commission's "Rule Drafting Manual" (http://www.lsc.state.oh.us/rules/rdm06_06.pdf) and that follows the recommendations from "Advanced Legal Drafting" by Bryan A. Garner (Dallas: LawProse, Inc. © 2007). This results in language that uses the active, not passive (i.e., "shall be") voice; uses the singular, unless the plural is necessary; is less verbose; and uses less legalese.

These actions make the proposed new assisted living rules easier to comprehend than the current rules and promotes transparency regarding regulations, in compliance with Governor Strickland's Executive Order 2008-04S: Implementing Common Sense Business Regulation.

PROGRAMMATIC CHANGES: There are none in this proposed new rule.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This proposed new rule cross-references ODA's rule on provider certification, which is rule 173-39-02 of the Administrative Code.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide

an explanation of why filing the text or other material electronically was infeasible:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

Not Applicable.

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so:

On June 29, 2009, ODA revised this proposed new rule to:

1. Replaced "licensed residential care facility that ODA certifies" with "residential care facility that is licensed by the department of health and that ODA certifies"
2. Update this RSFA.

12. 119.032 Rule Review Date:

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.
