This rule exists to introduce Chapter 173-39 of the Administrative Code and to define terms used in that chapter.

8. Summarize the rule's content, and if this is an amended rule, also summarize the rule's changes.

This rule introduces Chapter 173-39 of the Administrative Code and defines terms used in that chapter. ODA proposes to amend this rule to achieve the following:

1. Define "business day."
2. Delete the definition of "continuing-care retirement communities" because this chapter does not use the term.
3. Delete the definition of "incident," because rule 173-39-02 of the Administrative Code now refers to the incident-reporting requirements in rule 5160-44-05 of the Administrative Code.
4. Insert the missing words "direct ownership" between "means" and "interest" in the definition of "ownership interest."
5. Clarify in the definition of "region" that ODA delegates certain administrative duties to its designees. (Compare to this rule's definition of "ODA's designee.")
6. Place the definitions of "agency provider," "assisted living provider," "non-agency provider," and "participant-directed provider" in alphabetical order under paragraph (B) rather than as part of the definition of "provider."
7. Replace the definition of "service plan" with a definition of "person-centered services plan."
8. Replace the reference to rule 173-39-02.13 of the Administrative Code in the definition of "unique identifier" with a reference to rule 173-39-02.18 of the Administrative Code.
9. Delete the reference to rule 173-39-02.11 of the Administrative Code from the definition of "unique identifier" since that rule no longer contains service-verification requirements for participant-directed providers and, instead, refers to the service-verification requirements for participant-directed providers in rule 173-39-02.4 of the Administrative Code.

9. Does the rule incorporate material by reference? No

10. If the rule incorporates material by reference and the agency claims the material is exempt pursuant to R.C. 121.75, please explain the basis for the exemption and how an individual can find the referenced material.

Not Applicable

11. If revising or re-filing the rule, please indicate the changes made in the revised or re-filed version of the rule.
