

173-39-02.2**Alternative meals service.**

(A) Alternative meals service is a service designed to sustain a consumer's health by enabling the consumer to procure up to two meals per day from non-traditional providers, such as restaurants.

(B) A unit of service is one meal.

(C) An eligible provider of alternative meals services is a certified long-term care consumer-directed individual provider.

(D) A certified provider of alternative meals services must:

(1) Maintain all appropriate vendor licenses; and

(2) Prepare meals in compliance with all applicable federal, state, county, and local laws and regulations governing the preparation, handling and delivery of food.
