This rule establishes the requirements to become, and to remain, an ODA-certified provider of the choices home care attendant service.

ODA proposes to amend this rule to achieve the following:

1. Replace words that imply requirements for outdated modes of communication or in-person interaction (e.g., "submit") with other words (e.g., "provide") or add "or electronic" after "written" to achieve the same effect.
2. Explain that the rule's requirements to complete time sheets (vs., task sheets) apply only until rule 5160-1-40 of the Administrative Code requires the provider to use EVV to verify the provision of a service.
3. Require providers and individuals to prove their unique identifier to verify the accuracy of the task sheet.

ODA also proposes to make non-substantive amendments to this rule.

8. **Does the rule incorporate material by reference? Yes**
9. **If the rule incorporates material by reference and the agency claims the material is exempt pursuant to R.C. 121.75, please explain the basis for the exemption and how an individual can find the referenced material.**
