The choices home care attendant service in this rule differs from the home care attendant service in rule 173-39-02.24 of the Administrative Code.

FISCAL ANALYSIS

13. Estimate the total amount by which *this proposed rule* would **increase / decrease** either **revenues / expenditures** for the agency during the current biennium (in dollars): Explain the net impact of the proposed changes to the budget of your agency/department.

This will have no impact on revenues or expenditures.

\$0.00

ODA estimates that the rule project of which this rule proposal is a part will have no impact upon the biennial budget that the Ohio General Assembly established for ODA in HB59.

ODA does not have authority to spend in excess of what the General Assembly appropriated to ODA and the General Assembly had the changes to criminal records checks in mind when they passed HB59.

Additionally, although ODA operates the programs that Chapter 173-39 of the Administrative Code regulates, H.B.153 (129th G.A.) moved the funding for the programs from an ODA budget line item to one that is now under ODM. Therefore, ODA also estimates that the rule project for which this rule proposal is a part will have no impact upon the biennial budget that the Ohio General Assembly established for ODM in HB59.

14. Identify the appropriation (by line item etc.) that authorizes each expenditure necessitated by the proposed rule:

GRF-651-425 Medicaid Program Support--State.

GRF-651-525 Health Care/Medicaid.

3F00-651-624 Medicaid Program Support--Federal.

Please see the BIA for more information--especially the details under question #14.

16. Does this rule have a fiscal effect on school districts, counties, townships, or municipal corporations? **No**

17. Does this rule deal with environmental protection or contain a component dealing with environmental protection as defined in R. C. 121.39? **No**
