ODA provider certification: home modification.

(A) "Home modification" has the same meaning as "home modifications" in rule 5160-44-13 of the Administrative Code.

(B) Requirements for ODA-certified providers of home modification:

(1) The provider is subject to rule 173-39-02 of the Administrative Code.

(2) The provider is subject to rule 5160-44-13 of the Administrative Code.

(3) If a conflict exists between a requirement in rule 173-39-02 of the Administrative Code and a requirement in rule 5160-44-13 of the Administrative Code, the provider shall comply with the requirement in rule 173-39-02 of the Administrative Code instead of the conflicting requirement in rule 5160-44-13 of the Administrative Code.

(C) Unit and rates:

(1) For the PASSPORT program:

(a) The appendix to rule 5160-1-06.1 of the Administrative Code establishes one unit of home modification as one completed job.

(b) The appendix to rule 5160-1-06.1 of the Administrative Code and rule 5160-44-13 of the Administrative Code establish the maximum-allowable rate for a unit of home modification..

(2) For the PASSPORT program, rule 5160-31-07 of the Administrative Code establishes the rate-setting methodology for home modification, which requires the unit rate to be negotiated between the provider and ODA's designee. The negotiated rate includes all administrative, labor, and material costs for a specific job. The PASSPORT program does not pay for any amount in excess of the negotiated rate, unless ODA's designee approves a revised rate that does not exceed the maximum-allowable rate in paragraph (C)(1)(b) of this rule.
