ODA provider certification: applying to be certified in an additional regions ~~region~~ or ~~to certify from an additional business sites~~ site in the same region.

Introduction: After ODA initially certifies a provider in a region, the provider may apply to become certified to provide the service for which it is already certified in an additional region or from an additional business site ~~within in~~ the same region.

~~This rule does not apply to ODA-certified assisted-living providers. An assisted-living provider certified by ODA for because each certification for assisted living applies to only one RCF shall obtain a new certification for each additional RCF pursuant to rule 173-39-03 of the Administrative Code. This rule would not apply.~~

~~(A) Application: The provider shall provide a complete application to become certified to provide the service for which it is already certified in an additional region or additional business site within the same region. Only complete applications shall be processed. If the provider does not complete the application within ninety days of the date the application is requested, the application shall expire.~~

(A) Application: A certified provider may apply for certification in an additional region or from an additional business site in the same region by completing an application in the provider management system, including electronic submission of all supporting records required as part of the application. An incomplete application expires if the person does not complete the application within ninety days.

(B) Pre-certification review: ODA's designee shall visit the provider's business site to conduct an on-site pre-certification review to determine if the provider meets the requirements of this chapter to provide the service for which it is already certified in the additional region or from an additional business site ~~within in~~ the same region. ~~For agency providers seeking certification in an additional region, this includes compliance with paragraph (C)(1)(a) of rule 173-39-02 of the Administrative Code.~~ During a state of emergency declared by the governor, a federal public health emergency, or during another time if authorized by ODA, ODA's designee may conduct a desk review of the provider's business site in lieu of a visit.

(C) Approved application: ODA and its designee shall follow the process under paragraph ~~(E)~~ (F) of rule 173-39-03 of the Administrative Code for an approved application for certification to provide the service for which it is already certified to provide in an additional region or from an additional business site ~~within in~~ the same region.

(D) Denied application: ODA and its designee shall follow the process under paragraph ~~(G)~~ (H) of rule 173-39-03 of the Administrative Code for a denied application to become certified to provide the service for which it is already certified to provide in an additional region or from an additional business site ~~within in~~ the same region.
