

173-39-04**ODA provider certification: structural compliance reviews.**

Introduction: Each ODA-certified provider is subject to a regular structural compliance review (review) to ascertain if it complies with this chapter.

(A) First review:

(1) No later than three hundred sixty-five days after the date of ODA's initial certification, ODA's designee shall conduct the first review of each provider unless the provider is a provider of community transition through the home choice program under rule 5160-44-50 of the Administrative Code.

(2) No later than three hundred sixty-five days after the date of ODA's initial certification, ODA or, at ODA's sole discretion, ODA's designee shall conduct the first review of each provider of community transition through the home choice program under rule 5160-44-50 of the Administrative Code.

(B) Subsequent reviews:

(1) ODA's designee shall conduct subsequent reviews of providers of personal emergency response systems; home maintenance and chores; home medical equipment and supplies; home modification; non-emergency medical transportation; or non-medical transportation no later than seven hundred thirty days after the date of the previous review.

(2) No later than three hundred sixty-five days after the date of the previous review, ODA's designee shall conduct subsequent reviews of providers of services not listed in paragraph (B)(1) of this rule, unless the provider is a provider of community transition through the home choice program under rule 5160-44-50 of the Administrative Code.

(3) No later than three hundred sixty-five days after the date of the previous review, ODA or, at ODA's sole discretion, ODA's designee shall complete the subsequent reviews of a provider of community transition through the home choice program under rule 5160-44-50 of the Administrative Code.

(C) The review may be an on-site or a desk review based on the following:

(1) ODA's designee shall conduct an on-site review in accordance with paragraph (D) of this rule when:

(a) The provider has at least one business site located within the designee's region. If the provider has multiple business sites in the designee's region, ODA's designee shall conduct an on-site review of each business site.

(b) The provider is certified in only one region of the state and the provider's business site(s) is located within Ohio but outside of the designee's region.

(c) The provider is an assisted living provider.

(d) The provider is a participant-directed provider. If a participant-directed provider provides services in multiple regions, ODA's designee in each region shall conduct an on-site review.

(2) ODA's designee shall conduct a desk review of each provider in the designee's region when:

(a) The provider does not have a business site located within Ohio. In such cases, ODA's designee shall review the following:

(i) Compliance with all requirements listed under paragraph (D) of this rule if ODA's designee conducting the review is in the region of the state in which the provider was first certified.

(ii) Compliance with all requirements listed under paragraph (D) of this rule except the requirements in paragraph (D)(2) of this rule if ODA's designee is not in the region where the provider was first certified.

(b) The provider is certified in multiple regions but does not have a business site located in the designee's region. In such cases, ODA's designee shall review the following:

(i) Compliance with all requirements listed under paragraph (D) of this rule if ODA's designee is in the region where the provider was first certified.

(ii) Compliance with all requirements listed under paragraph (D) of this rule except the requirements in paragraph (D)(2) of this rule if ODA's designee is not in the region where the provider was first certified.

(3) ODA or, at ODA's sole discretion, ODA's designee shall conduct an on-site or desk review of each provider of community transition through the home choice program under 5160-44-50 of the Administrative Code.

(D) Each review shall:

- (1) Be announced by ODA's designee by placing a telephone call, or sending a written announcement, to the provider before the visit and conducting an introductory conference with the provider explaining the purpose and scope of the review, except as noted in paragraph (F) of this rule.
- (2) Include a review of compliance with each applicable requirement in rule 173-39-02 of the Administrative Code.
- (3) Include a review of compliance with each applicable requirement in rules 173-39-02.1 to 173-39-02.24 of the Administrative Code.

- (5) Include an exit conference with the provider.
- (6) Be based on a sample of paid service units for ten per cent of the individuals the provider served during the calendar quarter preceding the date of the review so long as the sample is based on no fewer than three individuals and no more than thirty individuals, with the following exceptions:
 - (a) If non-compliance is identified, ODA or its designee may expand the sample size, expand the time period the review covers, or require an independent audit to be conducted at the provider's expense.
 - (b) If the provider operates from multiple business sites, the review shall be based upon a sample of paid service units for ten per cent of the individuals the provider served from each business site.
 - (c) If the provider has fewer than three service delivery records for the preceding calendar quarter, ODA or its designee shall expand its review to include previous calendar quarters beginning from the date of the last completed review to gather sufficient service delivery records to meet the sample size in paragraph (D)(6) of this rule.
 - (d) If the provider has no service delivery records for the period in paragraph (D)(6)(c) of this rule, ODA or its designee shall note such in the review record and complete the remaining elements of the review required by this rule.
 - (e) If the provider is a participant-directed provider, ODA or its designee shall review records for each individual served during the calendar quarter preceding the review.

(H) As specified in rule 173-39-02 of the Administrative Code, all providers shall retain records to verify each episode of service delivery. Providers shall provide such records and documentation to ODA, its designee, the secretary of HHS, the auditor of state, and ODM upon request.
