Providers establish the rate they are paid when they respond to a request for proposal (RFP) by submitting their bid to the AAA for how much they will charge per unit (e.g., a medical meal). The amount an AAA pays a provider is an all-inclusive rate. It's intended to cover all costs incurred in providing the project or service, including administration, training, and reporting. Therefore, the provider's bid includes all costs anticipated in providing the project or service.

If the provider's bid wins, the provider is paid what it bid during the open and free competition for the AAA-provider agreement (cf., 45 C.F.R. 75.329 and rules 173 3 04 and 173 3-05 of the Administrative Code).
