Rule Title/Tag Line

Older Americans Act nutrition program: diet orders.**RULE SUMMARY**

1. Is the rule being filed for five year review (FYR)? **Yes**
2. Are you proposing this rule as a result of recent legislation? **No**
3. Statute prescribing the procedure in accordance with the agency is required to adopt the rule: **119.03**
4. Statute(s) authorizing agency to adopt the rule: **173.01, 173.02, 173.392; Section 305(a)(1)(C) of the Older Americans Act of 1965, 70 Stat. 210, 42 U.S.C. 3001, as amended by the Older Americans Act Reauthorization Act of 2016; 45 C.F.R. 1321.11 (July 1, 2016).**
5. Statute(s) the rule, as filed, amplifies or implements: **173.392; Section 339 of the Older Americans Act of 1965, 79 Stat. 210, 42 U.S.C. 3001, as amended by the Older Americans Act Reauthorization Act of 2016.**
6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

ODA proposes to amend the rule to make corrections to the rule ODA adopted on September 1, 2016.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

The rule regulates AAA-provider agreements for meals with a therapeutic diet, medical food, or food for a special dietary purpose, when they are paid, in full or in part, with Older Americans Act funds.

In (A)(4), ODA proposes to replace "regime" with "regimen."

In (B)(2)(a), ODA proposes to clarify that providers shall only honor diet orders for a dysphagia nutritive regimen if the diet order indicates whether the consumer requires thickening agents in individual components of the meal such as drinks, soups, etc. This would replace current language saying, "if the diet order requires the meals to have thickening agents." The current language leaves room for a possible misconception that the only diet orders to be honored are those requiring every item in a meal to have a thickening agent.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

The rule references the Code of Federal Regulations (C.F.R.) and the United States Code (U.S.C.) which are readily available to the general public free of charge on government websites.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

ODA did not electronically file the C.F.R. or the U.S.C. because those laws are readily available to the general public free of charge on www.ecfr.gov and uscode.house.gov.

10. If the rule is being **rescinded** and incorporates a text or other material by

reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

Not Applicable.

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so. If applicable, indicate each specific paragraph of the rule that has been modified:

On November 30, 2016, ODA made a revised filing of the rule to attach the appendix on terminology updates to the BIA.

12. Five Year Review (FYR) Date: **11/30/2016**

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.

FISCAL ANALYSIS

13. Estimate the total amount by which *this proposed rule* would **increase / decrease** either **revenues / expenditures** for the agency during the current biennium (in dollars): Explain the net impact of the proposed changes to the budget of your agency/department.

This will have no impact on revenues or expenditures.

\$0.00
