**Introduction and definitions.****RULE SUMMARY**

1. Is the rule being filed consistent with the requirements of the RC 119.032 review? **No**

2. Are you proposing this rule as a result of recent legislation? **No**

3. Statute prescribing the procedure in accordance with the agency is required to adopt the rule: **111.15**

4. Statute(s) authorizing agency to adopt the rule: **173.02, uncodified section 213.20 of Am. Sub. H. B. No. 119 (127th G. A.)**

5. Statute(s) the rule, as filed, amplifies or implements: **Uncodified section 213.20 of Am. Sub. H. B. No. 119 (127th G. A.)**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

Pursuant to section 119.032 of the Revised Code, ODA is reviewing the rules of Chapter 173-40 of the Administrative Code because every agency is required to review each of its rules at least once every five years. ODA is also taking this opportunity to reorganize the rules of Chapter 173-40 of the Administrative Code.

7. If the rule is an AMENDMENT, then summarize the changes and the content

of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This proposed new rule contains an introduction and also definitions for Chapter 173-40 of the Administrative Code that are substantially similar to the introduction and definitions for Chapter 173-40 that were contained in rules 173-40-01 and 173-40-02 of the Administrative Code, which ODA is simultaneously proposing for rescission. One difference from the current definitions in rule 173-40-02 and the proposed new definitions in this rule is that the term "plan of treatment" has been exchanged for "plan of care."

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

*This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.*

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

*This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.*

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

*Not Applicable.*

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so:

On the morning of October 17, 2007, ODA revised this rule in order to do the following:

1. To clarify the language of paragraphs (A), (B)(2), (B)(3), and (B)(8).
2. To improve the RSFA.

In the afternoon of October 17, 2007, ODA revised this rule in order to insert the words "Medicaid financial" before the word "eligibility" in paragraph (B)(3) of this proposed new rule.

On November 16, 2007, ODA revised this rule in order to make certain that modified definitions for the terms "PASSPORT administrative agency" and "planning and service area" were present in the rules. This is part of the fulfillment of a goal to provide standard definitions to identical terms throughout all the rules adopted by ODA.

12. 119.032 Rule Review Date:

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.

**FISCAL ANALYSIS**

13. Estimate the total amount by which *this proposed rule* would **increase / decrease** either **revenues / expenditures** for the agency during the current biennium (in dollars): Explain the net impact of the proposed changes to the budget of your agency/department.

This will have no impact on revenues or expenditures.

\$0.00

ODA anticipates that the proposed adoption of this new rule will have no impact upon the biennial budget established for ODA by the Ohio General Assembly.

GRF-490-403 PASSPORT.

15. Provide a summary of the estimated cost of compliance with the rule to all directly affected persons. When appropriate, please include the source for your

information/estimated costs, e.g. industry, CFR, internal/agency:

ODA estimates that there will be no cost of compliance to any directly affected persons associated with the adoption of this proposed new rule, especially since it merely provides an introduction and definitions for Chapter 173-40 of the Administrative Code and is substantially similar to the introduction language in rule 173-40-01 of the Administrative Code, which ODA is simultaneously proposing to rescind, and the definitions in rule 173-40-02 of the Administrative Code, which ODA is also simultaneously proposing to rescind.
