Consumer choices and responsibilities.**RULE SUMMARY**

1. Is the rule being filed for five year review (FYR)? **Yes**
2. Are you proposing this rule as a result of recent legislation? **No**
3. Statute prescribing the procedure in accordance with the agency is required to adopt the rule: **119.03**
4. Statute(s) authorizing agency to adopt the rule: **173.01, 173.02, 173.522**
5. Statute(s) the rule, as filed, amplifies or implements: **173.522**
6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

ODA is filing the rule as part of an end-of-the-year rule package for making miscellaneous updates. ODA proposes to align terminology in the rules with standard terminology. For more information on terminology, please review the attachment to this RSFA entitled "Appendix A: Terminology Background & Other Composition Standards."
7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; if the rule type is RESCISSION, NEW or NO CHANGE,

then summarize the content of the rule:

The rule declares every individual enrolled in the state-funded component of the PASSPORT Program may choose which providers provide goods and services to him or her from a list of willing and qualified providers. The rule also requires individuals to meet requirements in order to direct (i.e., employ) a participant-directed provider. The rule is a mirror of rule OAC173-42-06 for the Medicaid-funded component of the PASSPORT Program. ODA proposes to rescind this rule and replace it with a new rule. The new rule will only say, "An individual enrolled in the state-funded component of the PASSPORT program has the same choices and responsibilities as rule 173-42-06 of the Administrative Code gives to an individual enrolled in the Medicaid-funded component of the PASSPORT program."

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

This response left blank because filer specified online that the rule does not incorporate a text or other materials by reference.

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so. If applicable, indicate each specific paragraph of the rule that has been modified:

Not Applicable.

12. Five Year Review (FYR) Date: **11/10/2016**

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.

FISCAL ANALYSIS

13. Estimate the total amount by which *this proposed rule* would **increase / decrease** either **revenues / expenditures** for the agency during the current biennium (in dollars): Explain the net impact of the proposed changes to the budget of your agency/department.

This will have no impact on revenues or expenditures.

\$0.00

Rescinding the rule, then replacing it with another rule of the same number would not impact the biennial budget the Ohio General Assembly established for ODA.

Additionally, the General Assembly appropriated the budget line item associated with this rule to ODM. Although ODA operates the state-funded component of the PASSPORT Program, H.B. No. 153 (129th G. A.) moved the program's funding to budget line items for the program to ODJFS. Subsequent legislation created ODM out of the Office of Medicaid in ODJFS.

14. Identify the appropriation (by line item etc.) that authorizes each expenditure necessitated by the proposed rule:

GRF-651-525 Medicaid/Health Care Services.

15. Provide a summary of the estimated cost of compliance with the rule to all directly affected persons. When appropriate, please include the source for your information/estimated costs, e.g. industry, CFR, internal/agency:

ODA's proposed rescission of the rule and simultaneous adoption of a new rule of the same number would not create a cost of compliance to any directly-affected

person.

16. Does this rule have a fiscal effect on school districts, counties, townships, or municipal corporations? **No**

17. Does this rule deal with environmental protection or contain a component dealing with environmental protection as defined in R. C. 121.39? **No**
