**Consumer choices and responsibilities.****RULE SUMMARY**

1. Is the rule being filed consistent with the requirements of the RC 119.032 review? **No**

2. Are you proposing this rule as a result of recent legislation? **No**

3. Statute prescribing the procedure in accordance with the agency is required to adopt the rule: **119.03**

4. Statute(s) authorizing agency to adopt the rule: **173.02**

5. Statute(s) the rule, as filed, amplifies or implements: **Section 1902(a)(23) of the Social Security Act; 42 CFR 431.51**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

ODA is proposing to amend rules 173-39-01, 173-39-02, 173-39-02.11, 173-39-03, and 173-39-04 of the Administrative Code and to adopt new rule 173-42-06 of the Administrative Code. In doing so, ODA has 5 basic goals:

1. To increase consumer choice by allowing consumers to hire consumer-directed individual providers for the personal care service through the PASSPORT program on a statewide basis. In doing so, the proposed new rules give PASSPORT consumers a new right to choose a method by which to receive their personal care: either from an agency-provider method or a consumer-directed method.

2. To implement a rule on the choices and responsibilities bestowed upon a consumer who directs a consumer-directed individual provider under the PASSPORT program.
  3. To comply with section 119.032 of the Revised Code, which requires each state agency to review each rule on or before the rule's designated review date.
  4. To comply with Governor Strickland's Executive Order 2008-04S: "Implementing Common Sense Business Regulation," which requires each state agency to write easier-to-read and easier-to-comprehend rules to promote transparency in the agency's regulations. As a result, ODA's proposed new or amended language:
    - a. Complies with Chapter 5 of the Legislative Service Commission's "Rule Drafting Manual," as found on [http://www.lsc.state.oh.us/rules/rdm06\\_06.pdf](http://www.lsc.state.oh.us/rules/rdm06_06.pdf)
    - b. Incorporates recommendations from "Advanced Legal Drafting" by Bryan A. Garner (Dallas: LawProse, Inc. (c) 2007)
    - c. Incorporates recommendations from "Plain English Writing Tips," as found on [http://business.ohio.gov/docs/RegReform\\_PlainEnglishWritingTips.pdf](http://business.ohio.gov/docs/RegReform_PlainEnglishWritingTips.pdf).
  5. To format the new language in ODA's rules in the same way, rule after rule, in a manner that corresponds with the cooperative effort of other agencies that participate that also participate in the consolidation exploration team of the Executive Medicaid Management Agency (EMMA), which Governor Strickland created with Executive Order 2007-36S.
7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

ODA is proposing to adopt this new rule to:

1. Repeat a right granted to consumers by the Social Security Act that allows any consumer in the PASSPORT program to choose to obtain a service under the PASSPORT program under certain conditions.
2. States that a consumer has a right to make informed choices that may impact his or her life.
3. Lists the consumer's responsibilities related to his or her service plan.
4. Lists the consumer's responsibilities related to furnishing services.
5. States that an authorized representative may represent the consumer for any purpose under the rule.

6. Defines terms used in the rule.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

*This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.*

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

*This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.*

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

*Not Applicable.*

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so:

*Not Applicable.*

12. 119.032 Rule Review Date:

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.

**FISCAL ANALYSIS**

13. Estimate the total amount by which *this proposed rule* would **increase / decrease** either **revenues / expenditures** for the agency during the current biennium (in dollars): Explain the net impact of the proposed changes to the budget of your agency/department.

This will have no impact on revenues or expenditures.

\$0.00

ODA does not anticipate that the adoption of this new rule will have any impact upon the biennial budget established for ODA by the Ohio General Assembly.

14. Identify the appropriation (by line item etc.) that authorizes each expenditure necessitated by the proposed rule:

GRF-490-423 Long-Term Care Budget - State.

3C40-490-623 Long-Term Care Budget.

4J40-490-610 PASSPORT/Residential State Supplement.

4U90-490-602 PASSPORT Fund.

15. Provide a summary of the estimated cost of compliance with the rule to all directly affected persons. When appropriate, please include the source for your information/estimated costs, e.g. industry, CFR, internal/agency:

ODA estimates that there is no cost of compliance to any directly-affected person as a result of the proposed amendment of this rule. However, because the proposed amendment of rules 173-39-01, 173-39-02, 173-39-02.11, 173-39-03, and 173-39-04 of the Administrative Code, and the proposed adoption of rule 173-42-06 of the Administrative Code, give PASSPORT consumers the right to choose a new method by which to receive the personal care service, consumers may use their new freedom to choose the proposed consumer-directed method. This creates a possible cost of compliance associated with consumers' new free-market option. Every time a PASSPORT consumer receiving a personal care service chooses the consumer-directed method over an agency method, an agency provider loses the income for providing the service to that consumer, while a consumer-directed individual provider will gain a new income for providing the service to the consumer. Consumers do not pay to receive this service, so there is no cost of compliance to the consumer.

16. Does this rule have a fiscal effect on school districts, counties, townships, or municipal corporations? **No**

17. Does this rule deal with environmental protection or contain a component dealing with environmental protection as defined in R. C. 121.39? **No**
