Long-term care consultation program: time frames.

(A) The program administrator shall complete every long-term care consultation no later than five calendar days after it receives a request for the long-term care consultation, unless the program administrator has an exemption from the five-day time frame under paragraph (B) of this rule.

(B) Exemptions:

- (1) If an individual has applied for medicaid coverage, the program administrator shall complete the long-term care consultation in accordance with the applicable time frame for providing a level-of-care determination.
- (2) An individual (or the individual's representative) may request that the program administrator provide a long-term care consultation before or after the date required under paragraph (A) of this rule. In such cases, the program administrator shall provide the long-term care consultation at a time that is mutually agreed-upon between the individual (or the individual's representative) and the program administrator.
- (3) If the program administrator cannot complete the long-term care consultation before the date required under paragraph (A) of this rule, the program administrator shall provide the long-term care consultation as soon as practicable.
