

173-45-06.1

Information on services provided by facilities.

(A) Checklist items: ODA shall include a checklist in the guide that describes the services provided by, or in affiliation with, each facility listed in the guide.

(1) Services for nursing facility residents: The checklist of services in which a nursing facility may specialize includes:

(a) Alzheimer's disease/dementia care (secured or unsecured);

(b) Bariatric care;

(c) Dialysis;

(d) Formalized wellness programs;

(e) Hospice care;

(f) Intensive rehabilitation services;

(g) Pediatric care;

(h) Short-term stay for respite;

(i) Skin and wound care;

(j) Spinal cord injury care;

(k) Traumatic brain injury care; and,

(l) Ventilator care.

(2) Services for residential care facility residents: The checklist of services in which a residential care facility may specialize that is beyond basic personal care includes:

(a) Twenty-four hour licensed nursing;

(b) Advanced skin care;

(c) Alzheimer's disease/dementia care (secured or unsecured);

(d) Assistance with self-administration of medication;

(e) Formalized wellness programs;

(f) Hospice care;

(g) Medication administration;

(h) Rehabilitative therapy (occupational, physical, speech);

(i) Short-term stay for respite;

(j) Special diets;

(k) Total incontinence care;

(l) Transfer assistance (e.g., bed to chair); and,

(m) Transportation (e.g., to appointments, outings).

(3) Services for nursing facility non-residents: The checklist of services available to non-residents in affiliation with the nursing facility includes:

(a) Adult day care;

(b) Assisted living on site;

(c) Home-delivered meals;

(d) Home health care;

(e) Hospice services;

(f) Independent living housing on site;

(g) Outpatient therapy; and,

(h) Short-term stay for respite;

(i) Transportation (e.g., from homes to appointments); and,

(j) Any other community service the facility provides to non-residents that it specifically identifies.

(4) Services for residential care facility non-residents: The checklist of services available to non-residents in affiliation with the residential care facility includes:

(a) Adult day care;

(b) Home health care;

(c) Hospice care;

(d) Independent living housing on site;

(e) Outpatient therapies (occupational, physical, speech);

(f) Short-term stay for respite;

(g) Skilled nursing facility on site;

(h) Transportation (e.g., from homes to appointments); and,

(i) Any other community service the facility provides to non-residents that it specifically identifies.

(B) Check-off boxes: For the facility services specified in paragraphs (A)(1) and (A)(2) of this rule, ODA shall include check-off boxes to see if a facility provides specific services, and if the facility provides the services within a specific unit of the facility.

(C) Updating content: ODA shall obtain information regarding the services listed in paragraph (A) of this rule from the facilities themselves and may also obtain information from publicly-available sources, in accordance with paragraph (B) of rule 173-45-06 of the Administrative Code. Each facility may supplement the information required under paragraphs (A)(1) and (A)(2) of this rule in order to ensure an accurate description of services provided through the special care unit.

(D) Definition: As used in this rule, "affiliation" means a connection between a facility and a provider that are operated by the same entity, or that have entered into a contract whereby the provider provides services on the property of the facility or in close proximity to the facility.
