Disenrollment from the state-funded assisted living program.**RULE SUMMARY**

1. Is the rule being filed consistent with the requirements of the RC 119.032 review? **Yes**

2. Are you proposing this rule as a result of recent legislation? **Yes**

Bill Number: **HB487**General Assembly: **129**Sponsor: **Amstutz (by
request)**

3. Statute prescribing the procedure in accordance with the agency is required to adopt the rule: **111.15**

4. Statute(s) authorizing agency to adopt the rule: **173.01, 173.02, 5111.89**

5. Statute(s) the rule, as filed, amplifies or implements: **5111.89**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

In 2011, H. B. No. 153 (129th General Assembly) established the maximum period of eligibility for the State-Funded Component of the Assisted Living Program as three months, which could be a period of time as short as 89 days (e.g., February, March, and April) or as long as 92 days (e.g., May, June, and July).

Recently, H. B. No. 487 (129th General Assembly) amended section 5111.89 of the Revised Code to replace "three months" with "ninety days." Once the amendment takes effect, it will establish equitable eligibility periods for all consumers of the program.

To implement H. B. No. 487's amendment to section 5111.89 of the Revised Code, ODA is now proposing to amend rules 173-51-02 and 173-51-03 of the Administrative Code to replace occurrences of "three months" with "ninety days." ODA proposes to adopt the amendments on the same day that H. B. No. 487's amendment takes effect.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

The rule lists the enrollment process for the state-funded component of the Assisted Living Program.

In response to H.B. No. 487 (129th General Assembly), ODA is proposing to amend the rule to replace "three months" with "ninety days."

(See item #11 of this RSFA for additional changes.)

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material,

provide an explanation of why filing the text or other material was infeasible:

Not Applicable.

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so. If applicable, indicate each specific paragraph of the rule that has been modified:

On July 16, 2012, ODA revised the rule to:

1. State that ODA will not disenroll a consumer who no longer meets all the criteria for the program if the only criterion the consumer no longer meets is the patient-liability criterion.
2. Clarify that ODA is not required to provide notice and an opportunity for a hearing in accordance with Chapter 119 of the Revised Code if a consumer voluntarily separates himself or herself from the program.
3. Replace the occurrences of "ODA's designee" with "ODA (or ODA's designee)."
4. Make other minor, clarifying changes.
5. Revise this RSFA.

12. 119.032 Rule Review Date: **6/11/2012**

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.

FISCAL ANALYSIS

13. Estimate the total amount by which *this proposed rule* would **increase / decrease** either **revenues / expenditures** for the agency during the current biennium (in dollars): Explain the net impact of the proposed changes to the budget of your agency/department.

This will have no impact on revenues or expenditures.

Although ODA operates the state-funded component of the Assisted Living

Program, H.B. No. 153 (129th General Assembly) moved the Assisted Living Program's funding to budget line item GRF-600-525, which is under JFS, not ODA. Therefore, ODA estimates that the proposed amendment of this rule will have no impact upon the biennial budget that the Ohio General Assembly established for ODA in H.B. No. 153 or that was reviewed by H.B. No. 487 (129th General Assembly).

Additionally, because the amendments to section 5111.89 of the Revised Code are contained in the same legislation that authorizes the appropriations for program, ODA believes the Ohio General Assembly factored H.B. No. 487's amendments to section 5111.89 of the Revised Code into the impact upon line item GRF-600-525 and the state-funded component of the Assisted Living Program.

14. Identify the appropriation (by line item etc.) that authorizes each expenditure necessitated by the proposed rule:

GRF-600-525 Health Care/Medicaid (State and Federal).

15. Provide a summary of the estimated cost of compliance with the rule to all directly affected persons. When appropriate, please include the source for your information/estimated costs, e.g. industry, CFR, internal/agency:

ODA estimates that there is no cost of compliance to any directly-affected person associated with the proposed amendment of this rule.

16. Does this rule have a fiscal effect on school districts, counties, townships, or municipal corporations? **No**

17. Does this rule deal with environmental protection or contain a component dealing with environmental protection as defined in R. C. 121.39? **No**
