6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

ODA is making this rule filing as part of a larger rule package.

Chapter 173-9 of the Administrative Code contains the requirements to review databases and check criminal records when hiring applicants and when reviewing the retention of employees for paid ombudsman positions and paid direct-care positions.

Amended Substitute House Bill Number 483 of the 130th Ohio General Assembly (HB483) amended the Revised Code regarding paid direct-care positions, but not paid ombudsman positions, as follows:

1. The legislation adopted section 173.381 of the Revised Code to regulate database reviews and criminal records checks for self-employed providers. The new section defines "self-employed provider" and requires ODA "or its designee" to be the responsible party that reviews databases and checks criminal records.
2. The legislation amended section 173.38 of the Revised Code to clarify that the consumer, as the employer of record, is the responsible party regarding his or her consumer-directed employee; plus, the consumer is the consumer-directed provider's "chief administrator" when that the section uses that term.

Therefore, ODA proposes to amend the rules of Chapter 173-9 of the Administrative Code to incorporate HB483's amendments to the Revised Code into the Administrative Code.

In addition to implementing HB483, ODA proposes to make non-substantive amendments to the chapter.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule that ODA proposes to amend introduces Chapter 173-9 of the Administrative Code and defines terms used in the chapter.

ODA proposes to make the following amendments to implement HB483:

1. ODA proposes to amend the introduction and the definitions of "applicant," "employee," and "responsible party."
2. ODA proposes to amend the definition of "sub-contractor" because a sub-contractor that is self-employed would be treated differently under HB483 than a sub-contractor that is an agency provider.

ODA also proposes to make the following non-substantive amendments:

1. ODA proposes to correct paragraph (B)(2)(b) of this rule by replacing an errant use of "employee" with "applicant."

2. ODA proposes to indicate in the definitions for "applicant" and "employee" that the direct-care position is limited to a position that involves the furnishing of good or services to consumers through an ODA-administered program.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

Not Applicable.

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so. If applicable, indicate each specific paragraph of the rule that has been modified:

Not Applicable.

12. Five Year Review (FYR) Date: **10/30/2014**

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this

rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.

ODA estimates that ODA's proposed amendments to this rule would have zero net impact upon the biennial budget that the Ohio General Assembly established for ODA, especially because the Ohio General Assembly both reviewed ODA's budget in HB483 and also authorized ODA to implement new section 173.381 of the Revised Code in HB483.
