6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

ODA and the State Long-Term Care Ombudsman (SLTCO) propose to amend this rule as part of project to transfer ombudsman-related language from OAC Chapter 173-9 to OAC173-14-14.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule lists the requirements for hiring, or retaining, a person with a disqualifying offense.

ODA and SLTCO propose to transfer all ombudsman language to OAC173-14-14.

ODA also proposes the following non-substantive updates to the remaining language:

- * Adding "Background checks: paid direct-care positions" to the beginning of the rule's title to help the general public more easily find the rule when using internet search engines.

- * Replacing the legalese term "set forth" with "established."

- * Deleting "Except as set forth in paragraphs (B), (C) and (D) of this rule," because the rule's introductory paragraph already covers the possibility that (B), (C), or (D) may permit a responsible party to hire an applicant, or retain an employee, with a disqualifying record.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

Not Applicable.

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so. If applicable, indicate each specific paragraph of the rule that has been modified:

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.
