The rule is being amended pursuant to the requirements of five-year rule review. Due to the extent of proposed changes, the rule is being rescinded and adopted as new. The subject matter of current rule 3301-39-04, which is being rescinded, is addressed by this rule.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; if the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

The department has reviewed the rules setting forth the procedures for approval and oversight of nonpublic schools in Chapter 3301-39 of the Administrative Code. As part of the review, the department has sought input from the State Superintendent's Advisory Committee on Nonpublic Schools and has identified proposed amendments to the rules to streamline the chartering process. As a result of this review, language is updated, redundancies are eliminated, and the number of rules in the chapter is reduced from four to three.

The rule establishes various procedures regarding the approval of chartered nonpublic schools. The proposed changes include streamlining the regulations to require one series of public notices for the purposes of soliciting complaints regarding potential violation of the Operating Standards or policies of nondiscrimination, instead of two series of advertisements, and allowing the use of a variety of media outlets for such advertisements.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

*This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.*

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

*This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.*

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

*Not Applicable.*

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so:

*Not Applicable.*

## 12. 119.032 Rule Review Date:

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.
