FISCAL REQUIREMENTS

FLAT FEES

The duration of Flat Fees shall be defined as a specific amount of time or a specific outcome as identified in the service description of the VR Fee Schedule. Flat Fees include services authorized on a daily, weekly, or specific milestone/outcome basis.

INDIVIDUAL AND GROUP RATES

When OOD authorizes for VR services at rates identified in TABLE 1: INDIVIDUAL FEE SCHEDULE RATES, providers shall deliver services to participants on a 1:1 basis. This means that the one (1) provider staff to one (1) participant ratio must be maintained for the entire duration of the provided service.

When OOD authorizes for VR services at rates identified in TABLE 2: GROUP FEE SCHEDULE RATES, providers may deliver services in a group setting. Groups are defined as a single provider staff person dividing their time amongst multiple service recipients regardless of funding source. Groups shall have a maximum staffing ratio of 4:1, four (4) participants to one (1) staff person. Individualized services provided in a group setting shall not be considered 1:1 and shall be paid at the group rate. When group services are authorized, the provider shall bill the service based upon the actual staff to participant ratio when the service was provided.

When a provider delivers services not defined in the VR Fee Schedule through an approved addendum, services shall be provided on a 1:1 basis, unless the provider specifically has requested and OOD has approved a group rate.

SERVICE DELIVERY CYCLE

VR authorizations for services that are purchased as UOS or Daily (Flat Fee) rates shall be issued for one calendar month with an allowable variance of seven (7) days into the previous or following month, e.g. February 22 to March 31 or March 1 to April 7. VR authorizations for UOS or Daily rates shall not exceed a total of five (5) weeks. Service dates of VR authorizations for other Flat Fee services, e.g. Week or Outcome, shall be determined by VR Counselors or VR Contractors, based on the expected date of completion, but shall not exceed the current Federal Fiscal Year (FFY). Providers may not bill for partial or incomplete services during the billing cycle.

UNITS OF SERVICE (UOS)

Units of Service shall equal six (6) minutes increments. UOS shall be billed in accordance with the chart below. Providers may bill for time actively providing direct services to participants; for direct contacts with potential employers on behalf of specific participants; and for direct contacts with VR Counselors or VR Contractors on behalf of specific participants. Services can be billed for activities performed either in-person, via telephone, email, or other electronic media (such as completing an online electronic job application). Providers shall not bill for travel time between appointments. Provider staff must be physically present and/or actively performing a service for time to be billable. Providers

may not bill for time providing indirect services which includes: reading email; listening to messages; internal communications between provider staff members; reading collateral documentation; conducting case/file reviews; and for the purpose of managing authorizations, invoices, and/or payments.

Providers should not deliver services without a VR Original Authorization/Billing (OOD-0020) number or other OOD issued electronic version of the VR Original Authorization & Billing number. If there is a need to increase the amount of service or extend the dates of service from what has been authorized, the provider is responsible for contacting the assigned VR Counselor or VR Contractor to obtain approval of the increase or change of dates prior to delivering services. Providers will receive an amended authorization with the increase in the amount of service or extension of dates of service.

VR Reports and invoices shall be submitted electronically within twenty-one (21) calendar days of the date of last service or the last day of the calendar month defined in the VR Original Authorization & Billing (OOD-0020), whichever comes first. The end of service shall be defined as the last direct contact with the participant and/or employer. OOD will not issue subsequent authorizations if the reports are not received within the 21 day timeframe. OOD shall return reports and invoices that contain errors and/or do not meet the requirements of the VR Fee Schedule.
