Ohio Administrative Code (OAC) 3701-15-03 establishes tuberculosis standards referenced by ODH. The rule includes references to the Core Curriculum on Tuberculosis, treatment standards, and prevention guidelines that have been updated

by the Centers for Disease Control and Prevention. The rule is being amended to reflect updates to the referenced materials.

8. Summarize the rule's content, and if this is an amended rule, also summarize the rule's changes.

ODH recommends adding the location of all tuberculosis reference materials on the Centers for Disease Control and Prevention website and updating the link to the CDC's "Core Curriculum on Tuberculosis: What Every Clinician Should Know." ODH also recommends updating the official American Thoracic Society/Centers for Disease Control and Prevention/Infectious Diseases Society of America guidance "Targeted Tuberculin Testing and Treatment of Latent Tuberculosis Infection," and "Guidelines for Preventing the Transmission of Mycobacterium tuberculosis in Health-Care Setting," and provides the updated reference.

9. Does the rule incorporate material by reference? Yes

10. If the rule incorporates material by reference and the agency claims the material is exempt pursuant to R.C. 121.75, please explain the basis for the exemption and how an individual can find the referenced material.

Section 121.75 (B)(6) the rule states standards that are readily available to or ascertainable by the persons the standards are likely to affect. All materials are available through the CDC website which is available to the public free of charge.

11. If revising or re-filing the rule, please indicate the changes made in the revised or re-filed version of the rule.

There was a typo within a link in one of the lines and was suggested by JCARR to correct.
