

TO BE RESCINDED

3701-62-09 Transfer of person between health care facilities: forwarding of DNR order.

- (A) If a person who possesses DNR identification or for whom a current do-not-resuscitate order has been issued is being transferred from one health care facility to another, before or at the time of the transfer, the transferring health care facility shall notify the receiving health care facility and the persons transporting the person of the existence of the DNR identification or the order.
- (B) If a current do-not-resuscitate order was issued orally, it shall be reduced to writing before the time of the transfer. The DNR identification or the order shall accompany the person to the receiving health care facility and shall remain in effect unless it is revoked or unless, in the case of a do-not-resuscitate order, the order no longer is current.
