Bill Number: **HB1**General Assembly: **128**Sponsor: **Rep. Sykes**

3. Statute prescribing the procedure in accordance with the agency is required to adopt the rule: **119.03**

4. Statute(s) authorizing agency to adopt the rule: **3701.61**

5. Statute(s) the rule, as filed, amplifies or implements: **3701.61, Section 289.20 of Am.Sub. H.B. 1 (128th G.A.)**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

Pursuant to RC 119.032, this rule is being proposed with amendments to reflect 1) changes made in the reauthorization of Part C IDEA in 2004; 2) program changes to reflect best practice and evidence supporting home visiting for at risk families; 3) the elimination of Temporary Assistance to Needy Families (TANF) funding and its subsequent restrictions and requirements existing in the current rule; 4) a 2009 change in name of state agency from Department of Mental Retardation and Developmental Disabilities to Department of Developmental Disabilities, and 5) redesigning the home visiting program.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule outlines the purpose and structure of the Help Me Grow (HMG) program, specifying the components associated with Help Me Grow part C and Help Me Grow home visiting programs. Additionally, this rule indicates how Help Me Grow funds are to be spent. An amendment was necessary because the HMG program is redesigning the type of home visit that will be provided to include expectant families, not just new borns. Also, Part C IDEA and its requirements have been separated from the Home Visiting Program for children and their families. Finally, references to PRC, TANF and county job and family services are being deleted, because the HMG program is longer receiving these funds.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This rule references sections of the Ohio Administrative Code and cites federal law and regulations in the United States Code and the Code of Federal Regulations.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

Ohio Revised Code 121.76 exempts agencies from filing copies of state law and regulations in the text of a rule; inclusion of copies of cited text from the U.S.C. and C.F.R. are exempted as per Ohio Revised Code 121.75

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

Not Applicable.

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so:

5/21/2010 - Revisions are being made to paragraph (F) to clarify that Part C services must be provided in accordance with federal Part C regulations. 2. Please provide an estimate in dollars of the cost of compliance with the proposed rule for school districts, counties, townships, or municipal corporations. If you are unable to provide an estimate in dollars, please provide a written explanation of why it is not possible to provide such an estimate.

The amendment to this rule will have minimal fiscal impact on the county. Any increased cost to local providers for the help me grow home visiting program will be covered by the department's funding allocation to the county. The help me grow home visiting program per child amount of \$2925 was calculated to take into account the anticipated number of visits to be provided to each family and took into account the increased accountability requirements. The \$2925 per child amount was based off of national home visiting models. Secondly, target numbers of families expected to be served will be financed with state funds allocated to the county through subsidy agreements. There are no new requirements to the HMG Part C components.

3. If the proposed rule is the result of a federal requirement, does the proposed rule exceed the scope and intent of the federal requirement? **No**

4. If the proposed rule exceeds the minimum necessary federal requirement, please provide an estimate of, and justification for, the excess costs that exceed the cost of the federal requirement. In particular, please provide an estimate of the excess costs that exceed the cost of the federal requirement for (a) school districts, (b) counties, (c) townships, and (d) municipal corporations.

This comprehensive cost estimate should identify all of the major cost categories including, but not limited to, (a) personnel costs, (b) new equipment or other capital costs, (c) operating costs, and (d) any
