The rule provides the requirements for filing a Claim Reimbursement Application and based upon the completion date of program tasks defined with the rule, sets the deadlines for the responsible person to submit the application. The Board proposes to update paragraph (D) to more clearly reference the lettered paragraph of the fire marshal's rule 1301-7-9-13 that includes the immediate corrective action program task activities. The addition of the term "tier 1 notification" is proposed in order to maintain consistency with the fire marshal's rules effective July 1, 2012. Additional minor changes are proposed to paragraphs (G) and (J) with the intent of making the text easier to read and understand.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:
