2. Are you proposing this rule as a result of recent legislation? **No**
3. Statute prescribing the procedure in accordance with the agency is required to adopt the rule: **119.03**
4. Statute(s) authorizing agency to adopt the rule: **6111.03, 6111.12**
5. Statute(s) the rule, as filed, amplifies or implements: **6111.12**
6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

This rule is being reviewed in order to comply with Ohio Revised Code sections 106.03 and 106.031 and the five year rule review.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule identifies the definitions of terms used in Chapter 3745-2 of the Administrative Code. The changes in this rule are: removal of acronyms, abbreviations and definitions recently moved to rule OAC 3745-1-02, updates to bring consistency with rule 3745-1-02, grammatical and style updates, updates to references, clarification of the definition of "new discharge" for consistency with rule OAC 3745-1-05, and adding a new comment under "analytical detection limit" and new definition for

"method detection limit" to make a connection with requirements under federal regulations for the NPDES permit program and to make clear the Agency's preference to begin receiving data not currently identified.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This rule contains references to the Ohio Administrative Code (OAC) and Ohio Revised (ORC). While copies of these rules and statutes are generally available to the public through libraries and on-line sources, including the Ohio EPA website, ORC section 121.76(A) exempts such references from the provisions of ORC sections 121.71 through 121.75.

This rule also contains a reference to a federal statute. federal statutes are generally available to the public through libraries and on-line sources, including the U.S. EPA website. Information on how to obtain a copy is provided in this rule. ORC section 121.75(A) exempts such references from the requirements of ORC sections 121.71 through 121.74.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

Not applicable.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

Not Applicable.

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so. If applicable, indicate each specific paragraph of the rule that has been modified:

Not Applicable.

12. Five Year Review (FYR) Date: **11/15/2017**

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.
