**Draft Language Interested Parties E-mail and Distribution List - OAC Rules 3745-24-01, 3745-24-03, 3745-78-01, and 3745-78-02**

Notice is hereby given that the Ohio Environmental Protection Agency, Division of Air Pollution Control (DAPC) proposes the following draft changes to the Ohio Administrative Code (OAC) related to emission reporting: modification of rule(s) 3745-24-01, 3745-24-03, 3745-78-01 and 3745-78-02.

DAPC is proposing the rule changes extending the filing deadline for fee emission reports and emissions statements during the calendar year 2008. This change is necessary due to implementation of a new electronic reporting system in development by DAPC. DAPC wants to provide sufficient time for users of the system to familiarize themselves and adjust to the new system before submittal the fee emission reports and emissions statements is required. These reports are typically due by April 15th and we do not believe this will provide sufficient time for adjustment.

As part of the rule-making process, DAPC is required by Section 121.39 of the Ohio Revised Code to consult with organizations that represent political subdivisions, environmental interests, business interests, and others affected by the rules. The DAPC is offering your organization the opportunity to comment on these rules before the division formally proposes them.

Attached, please find the draft OAC rules 3745-24-01, 3745-24-03, 3745-78-01 and 3745-78-02 and a brief synopsis of the changes. These rules are also available at <http://www.epa.state.oh.us/dapc/regs/regs.html>. We request that you provide us with any comments you may have to the changes that have been recommended by Thursday, November 15, 2007.
