4112-1-02   **Computation of time.**

(A) In computing any period of time referred to in the rules of the commission or contained in any order of the commission, the day of the act, event, or occurrence from which the designated procedure begins to run shall not be included. The last day of the period so computed shall be included unless it is a Saturday, Sunday or legal holiday observed by the state of Ohio, in which event the time period shall run until the end of the next day which is neither a Saturday, Sunday or a legal holiday. All time periods are measured by calendar days, except where business days are expressly indicated.

(B) Whenever a party has a right or is required to do some act or take some action within a prescribed period after the service of a notice or other paper upon that party and such notice or paper is served by <u>non-electronic</u> mail, three days shall be added to the prescribed period.
