1. Is the rule being filed consistent with the requirements of the RC 119.032 review? **No**

2. Are you proposing this rule as a result of recent legislation? **No**

3. Statute prescribing the procedure in accordance with the agency is required to adopt the rule: **119.03**

5. Statute(s) the rule, as filed, amplifies or implements: **R.C. 4511.76, R.C. 4511.763**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

This filing is based on a R.C. 119.032 rule review of Ohio Administrative Code Chapter 4501-1. Due to LSC rule drafting requirements applicable when 50% of a rule is being proposed for change, the existing rule is being filed for proposed rescission and this proposed new rule (same title and number) is being filed to replace it. Language changes in this proposed new version of the rule are to provide for a period of license validity and to provide clarity.

7. If the rule is an AMENDMENT, then summarize the changes and the content

of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule provides the period of validity for a license to engage in the transportation of pupils to or from school or school functions on a school bus or to enter into a contract with a board of education of any school district for the transportation of pupils on a school bus. Proposed clarifying language, which differs from the version of the rule that is proposed for rescission, provides that every license shall be valid through the expiration date of the license and that the director may revoke or suspend a license as provided in Chapter 4501-1 of the Administrative Code, regardless of the expiration date listed on the license.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

*This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.*

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

*This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.*

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

*Not Applicable.*

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so:

*Not Applicable.*

12. 119.032 Rule Review Date:

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.

### **FISCAL ANALYSIS**

13. Estimate the total amount by which *this proposed rule* would **increase / decrease** either **revenues / expenditures** for the agency during the current biennium (in dollars): Explain the net impact of the proposed changes to the budget of your agency/department.

This will have no impact on revenues or expenditures.

We do not anticipate that this rule will affect the agency budget. With this filing licenses will expire yearly. The requirement for filing annual reporting information already exists, and with electronic filing capabilities, based on reductions in the costs associated with using less paper and reductions in the area and time needed for record-keeping, the department should realize a general cost saving. Also, our department will be able to utilize department of education software in this process, thus eliminating a need for special programming and related costs.

14. Identify the appropriation (by line item etc.) that authorizes each expenditure necessitated by the proposed rule:

Not applicable

15. Provide a summary of the estimated cost of compliance with the rule to all directly affected persons. When appropriate, please include the source for your information/estimated costs, e.g. industry, CFR, internal/agency:

This rule is not expected to create additional costs.

16. Does this rule have a fiscal effect on school districts, counties, townships, or municipal corporations? **No**

17. Does this rule deal with environmental protection or contain a component

dealing with environmental protection as defined in R. C. 121.39? **No**
