Based on a R.C. 119.032 rule review of Ohio Administrative Code (OAC) Chapter 4501-21, the five existing rules of this Ohio Administrative Code chapter have been proposed for rescission and this rule is one of a package of proposed new OAC Chapter 4501-21 rules.

This rule provides character and fitness requirements for persons connected with an enterprise providing remedial driving courses.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

**FISCAL ANALYSIS**

13. Estimate the total amount by which *this proposed rule* would **increase / decrease** either **revenues / expenditures** for the agency during the current biennium (in dollars): Explain the net impact of the proposed changes to the budget of your agency/department.

This will have no impact on revenues or expenditures.

0

We do not anticipate that this rule will impact the agency budget.

14. Identify the appropriation (by line item etc.) that authorizes each expenditure necessitated by the proposed rule:

Not applicable.

15. Provide a summary of the estimated cost of compliance with the rule to all directly affected persons. When appropriate, please include the source for your information/estimated costs, e.g. industry, CFR, internal/agency:

This rule's requirements would apply to all remedial driving course providers, including currently approved enterprises, at the time of their application for initial Department approval under the proposed new rules of OAC Chapter 4501-21. This rule clarifies existing requirements regarding character and fitness and we therefore do not anticipate that this rule will increase the cost of compliance. However, this rule prohibits the involvement of people with specified criminal histories from being connected with remedial driving courses and in Rule 4501-21-05 there is a related requirement which provides that all authorizing officials must submit criminal background information with applications for initial approval. (Maximum cost for a Bureau of Criminal Investigations criminal background check is \$35 - See the fiscal response information for proposed Rule 4501-21-05 which addresses application for, and renewal of, remedial driving course approval.)

16. Does this rule have a fiscal effect on school districts, counties, townships, or municipal corporations? **No**

17. Does this rule deal with environmental protection or contain a component dealing with environmental protection as defined in R. C. 121.39? **No**
