5. Statute(s) the rule, as filed, amplifies or implements: **R.C. 4511.521**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

This rule filing is based on a scheduled R.C. 119.032 five-year rule review of Ohio Administrative Code Chapter 4501-23. To assist the public, manufacturers, importers and dealers of motorized bicycles in determining the version of the Federal Motor Vehicle Safety Standard (FMVSS) that is incorporated in the rule, and to comply with the requirements of R.C. 121.75, a rule change is proposed to date the Federal Motor Vehicle Safety Standard cited in the rule. Also, a new rule (4501-23-01) is being proposed that provides an address, web site information and prior effective dates of incorporated federal regulations for use in obtaining a cited regulation. It also addresses situations when a prior effective version of a federal regulation would be applicable.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule requires every motorized bicycle to be equipped with a brake system that complies with a stated Federal Motor Vehicle Safety Standard.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

As provided in Section 121.75 of the Revised Code (R.C.), the federal regulation incorporated by reference in this rule includes its applicable date and the rule refers readers to proposed new rule 4501-23-01 for the dates of prior versions of the incorporated federal regulation. The rule is therefore excepted from the provisions of R.C. 121.71 to 121.74. Federal regulations are available at depository libraries throughout Ohio. Additionally, to assure the incorporated material is generally available to persons affected by the rule, proposed new rule 4501-23-01 provides address, web site, and prior date information that can be used to obtain the relevant cited regulation.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

As provided in Section 121.75 of the Revised Code (R.C.), the federal regulation incorporated by reference in this rule includes its applicable date and the rule refers readers to proposed new rule 4501-23-01 for the dates of prior versions of the incorporated federal regulation. The rule is therefore excepted from the provisions of R.C. 121.71 to 121.74. Federal regulations are available at depository libraries throughout Ohio. Additionally, to assure the incorporated material is generally available to persons affected by the rule, proposed new rule 4501-23-01 provides address, web site, and prior date information that can be used to obtain the relevant cited regulation.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.
