This rule, in and of itself does not require prior authorization to engage in or operate a line of business; however, it is part of a filing package that does, as some provisions in Chapter 4501-45 require ignition interlock manufacturers to obtain and maintain the appropriate license and certificate prior to engaging in selling, leasing, or otherwise using their devices in the State of Ohio.

B.) Does this rule impose a criminal penalty, a civil penalty, or another sanction, or create a cause of action, for failure to comply with its terms? **No**

C.) Does this rule require specific expenditures or the report of information as a condition of compliance? **Yes**
