**Type B school bus body and chassis.****RULE SUMMARY**

1. Is the rule being filed consistent with the requirements of the RC 119.032 review? **Yes**

2. Are you proposing this rule as a result of recent legislation? **No**

3. Statute prescribing the procedure in accordance with the agency is required to adopt the rule: **119.03**

4. Statute(s) authorizing agency to adopt the rule: **R.C. 4511.76**

5. Statute(s) the rule, as filed, amplifies or implements: **R.C. 4511.76**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

This filing is based on a R.C.119.032 rule review of Ohio Administrative Code Chapter 4501-5. This rule is being proposed for rescission and simultaneously, amended portions of existing rules 4501-5-03, -04, -05, and -06 and amendments to existing rule 4501-5-02 are being combined and proposed for adoption into proposed new rule 4501-5-02. The purpose of proposing the combined new rule is to update school bus construction requirements and to enhance the clarity, organization, and usability of OAC Chapter 4501-5.

7. If the rule is an AMENDMENT, then summarize the changes and the content

of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule provides requirements for a type B school bus body and chassis.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

Ohio Revised Code Section 121.76 provides that the provisions of R.C. 121.71 to 121.75 do not apply to the incorporation by reference of a statute of the Revised Code or of a rule of the Administrative Code.

Additionally, as provided in Rule 4501-5-01, the rules of OAC Chapter 4501-5 incorporate earlier versions of Ohio school bus construction standards in effect on the bid date, or if the bid date is unknown, on the manufacture date of older buses. (A complete and accurate copy of these versions of the standards was filed with JCARR.) These standards are currently available in printed form and most Ohio schools and school bus manufacturers already have copies of these standards. The standards are lengthy and would require a large expenditure of time to reproduce electronically. Existing standards as provided in paragraph (O)(2) of the currently effective rule have been deposited in five depository libraries designated by the State Library Board under R.C. 3375.01. These standards are also available via the State Highway Patrol Licensing and Commercial Standards Section, 1970 West Broad Street, Columbus, Ohio 43223. We will also deposit the final filed version of the standards, if adopted via this filing, in the five depository libraries designated by the State Library Board.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

Ohio Revised Code Section 121.76 provides that the provisions of R.C. 121.71 to 121.75 do not apply to the incorporation by reference of a statute of the Revised Code or of a rule of the Administrative Code.

Additionally, as provided in Rule 4501-5-01, the rules of OAC Chapter 4501-5 incorporate earlier versions of Ohio school bus construction standards in effect on the bid date, or if the bid date is unknown, on the manufacture date of older buses. (A complete and accurate copy of these versions of the standards was filed with

JCARR.) These standards are currently available in printed form and most Ohio schools and school bus manufacturers already have copies of these standards. The standards are lengthy and would require a large expenditure of time to reproduce electronically. Existing standards as provided in paragraph (O)(2) of the currently effective rule have been deposited in five depository libraries designated by the State Library Board under R.C. 3375.01. These standards are also available via the State Highway Patrol Licensing and Commercial Standards Section, 1970 West Broad Street, Columbus, Ohio 43223. We will also deposit the final filed version of the standards, if adopted via this filing, in the five depository libraries designated by the State Library Board.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

Ohio Revised Code Section 121.76 provides that the provisions of R.C. 121.71 to 121.75 do not apply to the incorporation by reference of a statute of the Revised Code or of a rule of the Administrative Code.

Additionally, as provided in Rule 4501-5-01, the rules of OAC Chapter 4501-5 incorporate earlier versions of Ohio school bus construction standards in effect on the bid date, or if the bid date is unknown, on the manufacture date of older buses. (A complete and accurate copy of these versions of the standards was filed with JCARR.) These standards are currently available in printed form and most Ohio schools and school bus manufacturers already have copies of these standards. The standards are lengthy and would require a large expenditure of time to reproduce electronically. Existing standards as provided in paragraph (O)(2) of the currently effective rule have been deposited in five depository libraries designated by the State Library Board under R.C. 3375.01. These standards are also available via the State Highway Patrol Licensing and Commercial Standards Section, 1970 West Broad Street, Columbus, Ohio 43223. We will also deposit the final filed version of the standards, if adopted via this filing, in the five depository libraries designated by the State Library Board.
