5. Statute(s) the rule, as filed, amplifies or implements: **R.C. 4511.76**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

This filing is based on a R.C. 119.032 rule review of Ohio Administrative Code Chapter 4501-5. This proposed new rule reflects a rule number change and minor amendment to the provisions of existing rule 4501-5-09, which is simultaneously being proposed for rescission. The purpose of renumbering this rule is to enhance the clarity and organization of OAC Chapter 4501-5. Proposed changes within the rule are to correctly identify the numbers of referenced rules as they have been reorganized and renumbered in the proposed amendments to OAC Chapter 4501-5.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; if the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule provides requirements and procedures for manufacturers, dealers, and owners of school buses to follow in requesting permission from the director of public safety to incorporate or install equipment or products, other than those specified in Chapter 4501-5 of the Administrative Code. Proposed changes within the rule correctly identify the numbers of referenced rules as they have been reorganized and renumbered in the proposed amendments to OAC Chapter 4501-5.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

Ohio Revised Code Section 121.76 provides that the provisions of R.C. 121.71 to 121.75 do not apply to the incorporation by reference of a statute of the Revised Code or of a rule of the Administrative Code.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

Ohio Revised Code Section 121.76 provides that the provisions of R.C. 121.71 to 121.75 do not apply to the incorporation by reference of a statute of the Revised Code or of a rule of the Administrative Code.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

*Not Applicable.*

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so:

Changes in this revised filing are merely to correct a typographical error by changing the word "that" to "than" and to comply with LSC rule drafting requirements by changing certain capital letters to lowercase letters, and in the last

paragraph of the rule, by adding quote marks to provide for capitalization of the agency name and address.

12. 119.032 Rule Review Date:

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.
