This filing is based on a R.C. 119.032, five-year rule review of Ohio Administrative Code (OAC) Chapter 4501:2-9. The rules of Ohio Administrative Code Chapter 4501:2-9 are being proposed for rescission and simultaneously they are being proposed for adoption to renumber them under Chapter 4501-54 of the Administrative Code. This proposal reflects a legislative change which substituted "department of public safety" for "state highway patrol" in the statute that authorizes the rules. Related rule numbering and language changes are also being proposed throughout the rules of Chapter 4501-54 of the Administrative Code.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule provides minimum standards for course content and curriculum for accident prevention courses to be taken by insureds 60 or over seeking premium reduction under section 3937.43 of the Revised Code. With this filing, the rule number has changed from the existing rule number 4501:2-9-05 to 4501-54-05 and the word "instructions" in the first sentence of paragraph (A)(1) of the Administrative Code has been changed to "instruction."

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.
