This rule is being filed to update website addresses that have been changed to comply with the State of Ohio Administrative Policy for the Ohio.gov Standardization and Registration of Internet Domain Names as issued by Ohio DAS on December 21, 2012 and reflect changes in publication dates for some material incorporated by reference. The amended website addresses will be made active after final-filing upon the effective date of the rules.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule provides the definitions of the terms, and addresses availability of referenced materials, for Chapter 4501-7 of the Ohio Administrative Code. Proposed changes in paragraph (PP) update website addresses that have been changed to comply with the State of Ohio Administrative Policy for the Ohio.gov Standardization and Registration of Internet Domain Names as issued by Ohio DAS on December 21, 2012 and to reflect changes in publication dates for some material incorporated by reference.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This rule provides a section (Paragraph (PP)) to specifically address dates/versions and availability of all materials incorporated by reference in Chapter 4501-7 including the following: "Driver Training Enterprise Application;" "Driver Training Instructor License Application;" "Required Minimum Standards for Online Driver Education;" "Renewal Requirements;" "Examination Questions Test Bank;" "Certificates of Enrollment/Certificates of Completion;" "Digest of Motor Vehicle Laws;" "Online Driver Education Security Assessment;" and the "Ohio Driver Training Curriculum."

These materials are generally available to driver training enterprises, instructors, training managers, and authorizing officials, who are the persons most reasonably expected to be affected by Chapter 4501-7, upon written request submitted to the Driver Training Program Office or via the Driver Training Program website.

Unless otherwise indicated, these materials are being filed as part of this rule for the entire package.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

"Certificates of Enrollment," "Certificates of Completion," the "Examination Questions Test Bank," "Renewal Requirements," and 49 CFR 391.43 are not being filed as part of this package. The Certificates are numbered, tracked, and issued to

driver training schools as purchased. The "Examination Test Bank" is a database of questions from which exam questions are randomly selected as each test is administered. The "Renewal Requirements" is a database application that is part of the Driver Training Program website, a program accessible to licensed schools, training managers, and instructors, where information is electronically entered via a interface on the system. Under R.C. Section 121.75, the Code of Federal Regulations is exempted from the provisions of R.C. 121.71 to 121.74, as long as the material incorporated by reference is generally available, consists of a citation that will be intelligible to readers, and provides readers with how the material may be accessed.

This rule addresses all of these materials by providing full citations, the date/version of the materials as appropriate, as well as referring readers to where and how they may be accessed.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

*Not Applicable.*

12. 119.032 Rule Review Date: **10/8/2014**

(If the rule is not exempt and you answered NO to question No. 1, provide the scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)
